ABOUT SCALABRINI VOLUNTEERS

Scalabrini is a Cape Town based NGO that offers specialised services to Migrants, Refugees and South Africans. Scalabrini's services focus in four key areas including:

Para-legal advice office | Advocacy and Knowledge Sharing
Socio-economic Integration | Well-being and Welfare

Scalabrini's mandate is to support integration and advocate for human rights, we achieve this through a holistic approach that considers all basic needs.

Integral to the success of Scalabrini is the work that our volunteers do in the centre. Each year, we welcome both local and international volunteers who work in all areas of our programs. Without the commitments of volunteers we would not be able to reach as many clients as we do and provide many of the services they have access to.

By choosing to volunteer with Scalabrini you will

- **Work directly with clients.**
- **Be mentored and supported by highly qualified and experienced team.**
- **Develop a deeper understanding and knowledge in the field of migrant populations in South Africa.**
- **Develop various skills in your area of interest.**
- **Be part of a small organisation making meaningful impact to those we serve.**

LEE-ANN

"The most rewarding part was seeing the women blossom, discover their own voice and then the joy and confidence that grows with that. Personally, being part of such a dedicated team pushed and grew me as a person. I will take back many skills and fond memories from my time at Scalabrini."
