

BUSINESS DEVELOPMENT

The Business Development project offers training, micro-finance grants and mentorship to small businesses.

Trainings include:

- How to Develop a Business Idea (if you are thinking of starting a business)
- Small Business Development Course (for established business owners), which covers business planning, financial planning and marketing.

Successful business owners then stand the chance of obtaining a small business grant. Thereafter, further mentorship opportunities are available.

Cost: Free

Duration: 6 Months. Hybrid (online & in-person)

Integration Pathways' activities are partially funded by:

The US Government

INTEGRATION PATHWAYS

Employment Access | Skills Hub | UpLearn

Integration Pathways aims to develop and skill people on the move towards self-sufficiency and independence. We achieve this through unlocking agency and leadership potential.

EMPLOYMENT ACCESS

EMPLOYMENT HELP DESK

To register with Employment Access, you need to fill out a CV application form by sending a message on WhatsApp or visiting our offices.

The Help Desk assists you with finding employment by:

Creating and updating CV's

Writing Cover letters

Supporting with job applications

Opening e-mail accounts

You'll also be invited to [join our WhatsApp Employment Support Group](#). This group is very important for staying updated on job opportunities, our services and training programmes. Joining the WhatsApp group is an opportunity to boost your employability and job search success.

FOREIGN PROFESSIONALS DESK

The Foreign Professionals Desk provides assistance in applying for the evaluation of foreign qualifications at the South African Qualifications Authority (SAQA) and Universities South Africa (USAf). Additionally, we offer support in registering with professional bodies such as SACE, SANC, and ECSA, and provide information about bursaries available for tertiary education.

SKILLS HUB

JOB READINESS

The Skills Hub is your opportunity to upskill yourself for better employment success. We offer the following free workshops:
